Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Barry Greenbaum on 12/15/2010.

This Examiner's Amendment replaces the previous Examiner's Amendment mailed on 10/12/2010. The application has been amended as follows:

24. (Currently Amended) The transportation system according to claim 15, further comprising at least one pick-up, wherein the at least one pick-up includes one of (a) a U-shaped ferrite core, (b) a C-shaped ferrite core and (c) an E-shaped ferrite core.

25. (Currently Amended) The transportation system according to claim 15, further comprising at least one pick-up, wherein the at least one pick-up includes a flat winding.

26. (Currently Amended) The transportation system according to claim 15, further comprising at least one pick-up, wherein the at least one pick-up includes a flat winding arranged around a middle leg of an E-shaped ferrite core.

27. (Currently Amended) The transportation system according to claim 24, wherein the at least one pick-up has the E-shaped ferrite core, the legs of the E-shaped ferrite core are shorter than a distance of next nearest legs from one another.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to SPENCER PATTON whose telephone number is (571)270-5771. The examiner can normally be reached on Monday-Thursday 7:30-5:00; Alternating Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Khoi Tran can be reached on (571)272-6919. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
